Submitting in eGrants

In extenuating circumstances determined and verified by the Corporation, late applications may be accepted only if the applicant submits to the Corporation for consideration a letter explaining the reasons for the delay including the timing and nature of the cause of the delay. Such a letter must be received by the Corporation via email at the address provided in the Agency Contact section in this NOFO and no later than one business day after the applicant receives a confirmation that its application was received by the Corporation. Late applications are evaluated on a case-by-case basis.

Applications submitted after the deadline with reasons found not acceptable will be determined non-compliant and will not be considered in the grant review and selection process.

We strongly recommend that you create your eGrants account and begin your application at least three weeks prior to the final submission deadline and begin pasting your application into eGrants no later than ten days before the deadline.

This will allow you time to address technical issues prior to the deadline. Technical issues are more likely to be considered as a factor in allowing a late submission if you begin entering your application within this time frame.

Contact the eGrants Help Desk at 888-677-7849 (talk to an associate or leave a detailed message) or e-mail egrantshelp@cns.gov immediately if a problem arises while you are creating your account, preparing, or submitting your application. Be prepared to provide your application ID. If technical issues are preventing you from submitting your application in eGrants by the deadline, you must contact the eGrants Help Desk prior to the 5:00 p.m. Eastern Time deadline to explain your technical issue and get a ticket number. If your issue cannot be resolved by the deadline, you must continue working with the eGrants Help Desk to submit your application.

In the event of prolonged unavailability of the eGrants system on the date of submission, the Corporation reserves the right to extend the eGrants submission deadline. A notice will be posted in eGrants and on <http://www.nationalservice.gov>.
