ECONOMIC OPPORTUNITY

Measure O1	Number of economically disadvantaged individuals receiving financial literacy services.
Definition of Key Terms	<p>Economically disadvantaged: Must be receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance OR have a poor credit score OR are at least 60 days behind on one or more personal/family accounts.</p> <p>Individuals: May be a single individual or may represent a family; may be of any age considered an “adult” in the state where services are provided</p> <p>Financial literacy services: Includes “financial literacy education with regard to credit management, financial institutions including banks and credit unions, and utilization of savings plans” (2009 Serve America Act).</p>
How to Calculate Measure/ Collect Data	<p>Unduplicated count of individuals to whom the “financial literacy services” are provided. Note that this is not simply a referral service. Individuals may contact the organization more than once during the year to get help but each individual should be reported here only once. Services may be provided in-person, on the phone, or by email.</p> <p>Tracking mechanism appropriate for type of service. May be a sign-in sheet or a tracking database.</p>

Measure O2	Number of economically disadvantaged individuals receiving job training and other skill development services.
Definition of Key Terms	<p>Economically disadvantaged individuals: Must be receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance OR have a poor credit score OR are at least 60 days behind on one or more personal/family accounts.</p> <p>Job training: occupational skill training delivered in an institutional or classroom setting or skill training provided in an experiential workplace setting (may be called on-the-job training or work experience). P. 3, <u>Job Training Policy in the United States</u>, The Upjohn Institute, 2004. Includes job training that results in obtaining a state or union certification in a skilled trade.</p> <p>Other skill development services: these include:</p> <ul style="list-style-type: none"> • Remedial Education such as Adult Basic Education, GED Education, Adult ESL Education. • Classroom soft skills training that provides information about appropriate workplace behavior or job search skills. <p>(<u>Job Training Policy in the United States</u>, The Upjohn Institute, 2004.)</p>
How to Calculate Measure/Collect Data	<p>Unduplicated count of individuals completing the job training or skill development service for which they enrolled.</p> <p>Course attendance records.</p>

Measure O3	Number of economically disadvantaged individuals receiving job placement services.
Definition of Key Terms	<p>Economically disadvantaged individuals: Must be receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance OR have a poor credit score OR are at least 60 days behind on one or more personal/family accounts.</p> <p>Job placement services: These services include job search and placement assistance (including career counseling); labor market information (which identifies job vacancies; skills needed for in-demand jobs; and local, regional and national employment trends); initial assessment of skills and needs; information about available services.</p>
How to Calculate Measure/Collect Data:	<p>Unduplicated count of individuals completing the job placement services for which they enrolled.</p> <p>Course attendance records.</p>

Measure O4	Number of housing units developed, repaired, or otherwise made available for low-income individuals, families or people with disabilities.
Definition of Key Terms	<p>Housing unit: A single-family home (including a mobile home if permanently placed), an apartment, or a room in a group home for people with disabilities.</p> <p>Develop: Build new or substantially rehabilitate housing units that were uninhabitable or soon would have become so. Involves replacing major systems such as the roof, the plumbing, the wiring, the foundation, or elevating the unit as required by a flood plain standard.</p> <p>Repair: A more modest level of physical work on the unit, such as weatherizing, painting, replacing appliances and removing safety hazards..</p> <p>Otherwise made available: Activities that make available <u>through improved access</u> a housing unit that is in the housing stock and likely to remain habitable. For example, assistance in searching for the unit, a rent subsidy that makes the unit affordable to the individual or family.</p> <p>Low-income: Must be receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance OR have a poor credit score OR are at least 60 days behind on one or more personal/family accounts.</p> <p>Individuals and families: The U.S. Census definition of “household,” which includes all the persons who occupy a housing unit. The occupants may be a single family, one person living alone, two or more families living together, or any other group of related or unrelated persons who share living arrangements.</p> <p>People with disabilities: Subset of individuals and families that meets a definition related to inability to live independently without support (could use HUD definition). Separate mention in this measure may not be needed, but could leave it in and count units for people with disabilities separately to acknowledge emphasis on this population.</p>
How to Calculate Measure/ Collect Data	<p>Unduplicated count of Housing Units developed, repaired, or otherwise made available as defined here for low income individuals, families or persons with disabilities. This count indicates that the work has been completed to make the units available but they may or may not have been occupied.</p> <p>Programs can use a dollar cut-off to distinguish “developed” from “repaired” (e.g., 30K/unit) or can distinguish by whether major systems are replaced. Dollar cut-off would require valuing volunteer labor, distinguishing between skilled trades and other workers.</p> <p>Programs that are able to count Individuals placed in the housing units they develop, repair or make available should report on Measure O5.</p> <p>Inspection report, certificate of occupancy, or other verification from an external agency that the work was completed.</p>

Measure O5	Number of economically disadvantaged individuals, including homeless individuals, receiving housing services.
Definition of Key Terms	<p>Economically disadvantaged: Must be receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance OR have a poor credit score OR are at least 60 days behind on one or more personal/family accounts.</p> <p>Homeless: Individuals who spend the night in a place not intended for human habitation, in an emergency shelter, or in a transitional housing facility. See the Dept. of Housing and Urban Development definition at http://www.hud.gov/homeless/definition.cfm</p> <p>Individuals: Each unique person who will be occupying the unit legally including adults and children but not unborn children.</p> <p>Housing services: Helps qualifying individuals find appropriate housing, find the resources to support use of appropriate housing, and assists individuals in accessing the appropriate housing. May or may not result in an actual placement. May also include hands-on housing development and repair activities. Housing development adds to the housing stock by building a new unit or substantially rehabilitating a unit that was either uninhabitable or soon would have become so. Involves replacing major systems such as the roof, the plumbing, the wiring, the foundation, or elevating the unit as required by a flood plain standard. Housing repair is a more modest level of physical work on the unit, such as weatherizing, painting, replacing appliances and removing safety hazards. Service requires an engagement with the individual in person, by phone, or through a web-interface. Pamphlets, brochures, or web-based information that does not involve a human interaction is not sufficient.</p>
How to Calculate Measure/Collect Data	<p>Count of Individuals as defined above benefitting from the housing service. Can only count each individual once during the program year even though it may be necessary to provide services to the individual more than once.</p> <p>Programs that are only able to count Housing Units should report on Measure O4.</p> <p>The data should be collected using a tracking mechanism appropriate for the type of service, which may include: CNCS-supported agency’s administrative or call center records, referral logs, attendance logs or sign-in sheet, client tracking database, or other information management system.</p> <p>The client tracking database should have unique IDs (e.g. Homeless Management Information System (HMIS)).</p>

Measure O9	Number of economically disadvantaged individuals with improved financial knowledge.
Definition of	Disadvantaged individuals: those counted as participating in O1.
Key Terms	Improved Financial Knowledge: the financial literacy program should have learning objectives. The improved financial knowledge should be based on those pre-defined learning objectives. Individuals participating in the financial literacy services should know more after they participate than before.
How to Calculate Measure/	Count of individuals provided services in O1 whose pre-test and post-test scores indicate that they know more about at least one of the financial literacy topics presented.
Collect Data	Must conduct a pre-test/post-test to determine amount of knowledge gained.

Measure O10	Number of economically disadvantaged individuals placed in jobs.
Definition of	Economically disadvantaged individuals: Individuals counted for O3
Key Terms	Placed in jobs: individual is hired in a new job as a result of job placement services provided; individual may have been previously working in a different job or previously unemployed.
How to Calculate Measure/	Count of individuals receiving services in O3 who are hired into a new job. Count each individual only once even if the individual receives placement in more than one job.
